Reports: The following items may be action items.

1. Pipeline Safety Class in Joliet, Kris Plencner will report
2. Joint Purchasing agreement bringing together all Township Taxing bodies together to get better prices in this time of economic distress.
4. NIMS Certification Class, John Robinson will set it up
5. Illinois American Water charges to businesses of \$65 for having a sprinkler system, and charging a fee for use of water by the Fire Dept. despite the Fire Dept. not being allowed to fill tanks using Ill. American Water.
6. Supplies at various locations need to be brought to a central location and separated into packages of 1000 as cited by John Robinson. We need to get all the food donations together and Steve can get them picked up by a food pantry. We then need to plan another supply drive.

7. Third lane and parking that was approved in 2007 making emergency entrance into the sports complex 14350 W. 151st wide enough for emergency vehicles.
FYI, Road Commissioner looking at options with Robinson Engineering

8. May 6th Spontaneous Volunteers Class 7:30pm South Bell Rd. Homer Fire Station

9. 911 Ceremony on Saturday Sept. 11
