REASSURANCE CALLS FOR THE ELDERLY AND HOMEBOUND "SUNSHINE SERVICE"

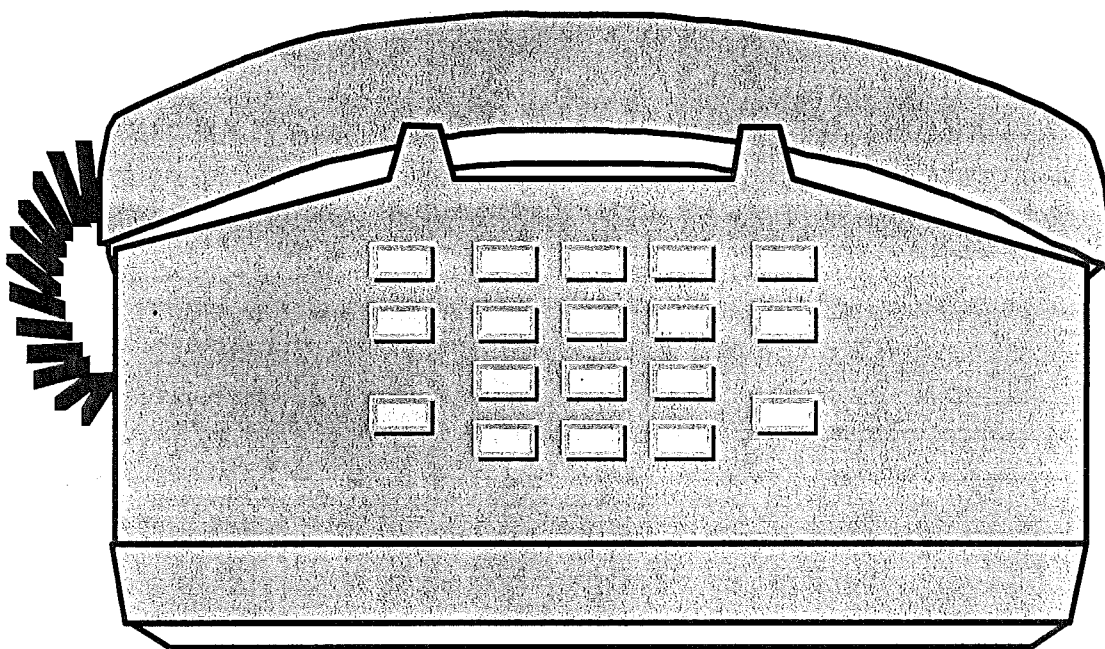

This service provides daily reassurance calls to senior citizens and homebound individuals everyday to check on their well-being. Most recipients of these calls are seniors who just need a friendly chat to reassure them that they are not alone. It may be a reminder to take their medication or just to say "hello". This service allows the elderly or disabled person to live alone.

Calls are made by volunteers who are trained to deal with the problems of the older adult population. If calls are not answered, a backup call is placed to a neighbor or other designated person. If the whereabouts of the "Sunshine" client cannot be accounted for after a series of calls, the police maybe asked to check on them.

This service is free of charge.

For more information or to sign up someone on the "Sunshine Service", please call 815-744-5280.
