

Homer Township Resolution #HT071210
State of Illinois
County of Will

Preface:

Homer Township Board recognizes that there most likely no serious problem with illegal immigration, in the Township, but wants to make it policy to enforce the Rule of law in Homer Township. We support the right to make this statement and encourage other Townships, Cities, and the State to follow suit. We are asking for nothing to be added or taken away from the existing law. We recognize Native Americans had the first language in our Country, followed by Western European dialects, with English eventually becoming dominant. Traditionally becoming a citizen required speaking English, accepting the United States as their Country, and assimilating into the population. The Homer Township Board, supports actions to enforce existing immigration law, enforce residency requirements in our school districts, and acknowledge that English the dominant language of Homer Township.

Whereas, the Homer Township Board understands the Tax burden imposed by illegal immigrants, the Homer Township Board supports actions to enforce existing immigration law.

Whereas, children who are not residents in our school districts and attending our schools, contribute to overcrowding, and increase our Tax burden. The Homer Township Board supports efforts on the part of the school districts to enforce, and verify residency, as prescribed by law.

Where as, there is a cost for government in having multiple languages, the Homer Township Board adopts English as the official language of Homer Township, in accordance with all Federal and State Laws.

NOW THEREFORE BE IT RESOLVED that the Board of Homer Township supports actions to enforce existing immigration law; as well as the school districts verifying residency for each student; as well as making English the official language of Homer Township, in accordance/ compliance with existing Federal and State Laws.
